Dear Honey, You're
your the most darling
boy in the world. I knew
it was you right from the
start when you were at the Sun
Valley dance. You were sitting there looking
so handsome, and sweet and kind, and
that's what I just could not resist not asking you
for a dance. And now we have been going
steady with you and I don't regret
one minute of it. I was really very happy when you first asked me to go steady with you. I was so happy when you first kissed me that I practically
almost cried. And your little burned once with
tears of joy. And now I'm writing so
fast I'm afraid you won't be able to read it. Anyway I'm very happy and my friends were so happy when I told them that I was going steady with you. I'm so
glad you're coming to the house. And I get a little
pathetic when I realize that I'll be leaving you
but that's life. Oh I wish you will forgive me for not writing
sooner, but it's all I could think of, and besides I
hope you will forgive me for not writing
much but I just couldn't seem to find the right words
to say to you that I love you
you've always told me that I love you
know what to say to you. And if you
and that it would suit your fine. Best
I'll stick in the mail.

Love Lotie & Arch

Macomber.

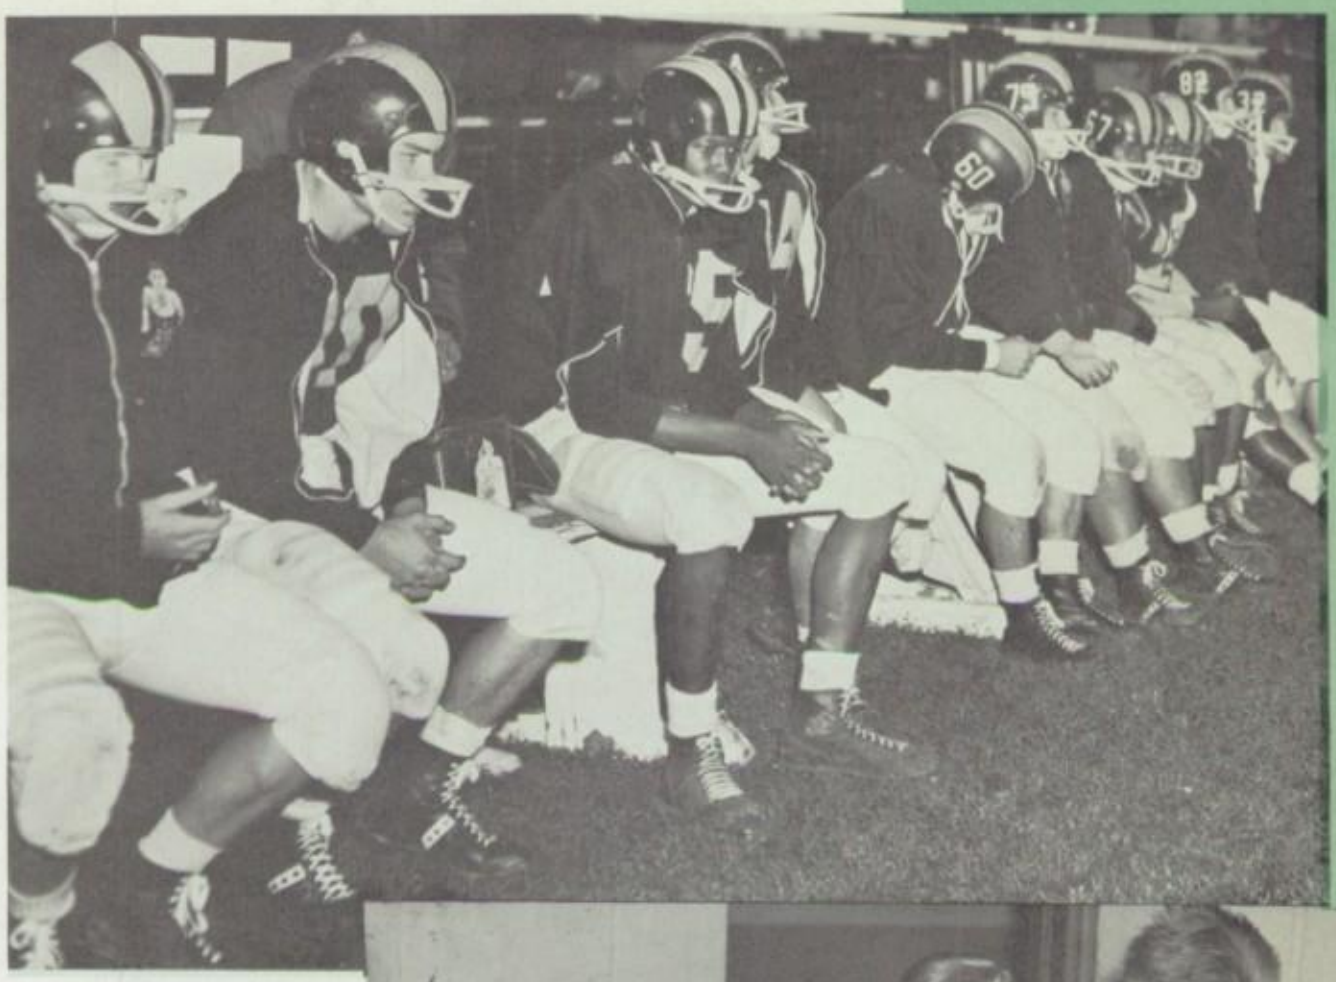
DURING THE YEARS OF HIGH SCHOOL A BOY BECOMES A MAN:

1962 Prom, a night to remember for all.

Hall Patrol, a new addition to Macomber, has helped to preserve Macomber's tradition.

Students show their eagerness to study.

GUIDED BY ACTIVITIES, STUDIES, AND MEETING NEW FRIENDS.



Waiting patiently for Craftsman defense to do their job.

Juniors receive that long awaited class ring.

Seniors add new color scheme to battered football helmets.

SENIOR PROM

Pat Crawford, our 1962 Prom Queen, smiling and joyful, as she adds to the memories of the prom.

Students enjoy refreshments during a break from the dance floor.

Dick Hieb, a former Macomber student, and date enjoy a dance "Under Southern Skies".

Mid-Term Swing and Student Council Dance

The Decorations Committee for the Mid-Term Dance pose for a picture.

Enchanted is the Night seems to be enjoyed by all.

Our lovely Candidate for Student Council Queen, Cindy Thacker.

SHOP & CLASSES

AUTOMOTIVE TRADES

Spray painting is one of the many skills performed in the Collision shop.

The boys in Auto Mechanics make many adjustments to the engines and other parts of the car in their shop.

These Auto Transmission boys take their time to make sure they don't make any mistakes in fixing transmissions.

It sometimes requires a lot of help to find the trouble in a car's electrical system.

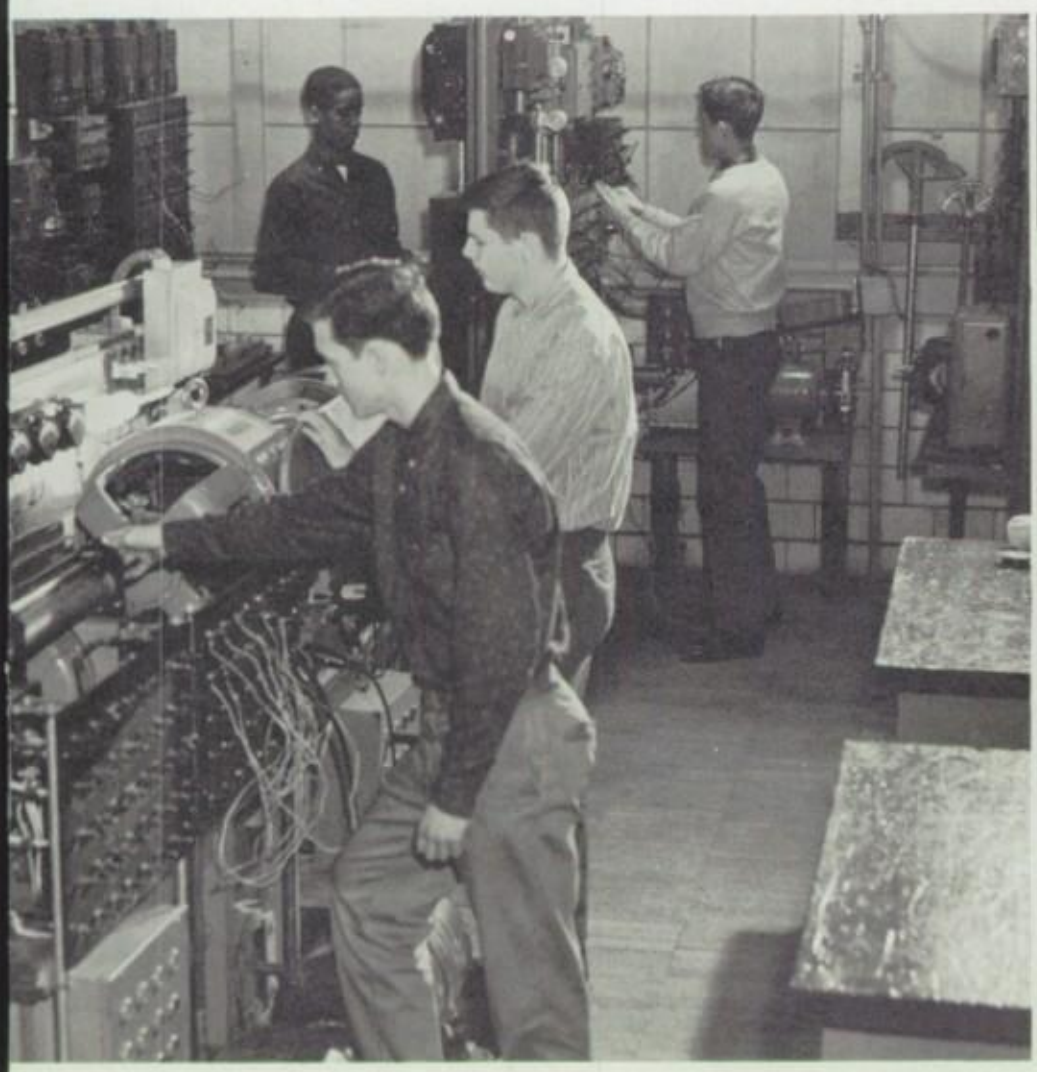
BUILDING TRADES

Chilly Willy gets a check up by Refrigeration Juniors.

Cabinet Making boys show their skill in making desks.

The look of tomorrow is achieved by the Architectural Drafting Shop.

Defective radios and T.V.'s are always in demand to be repaired by the boys in the Radio and T.V. shop.



The boys in Electrical Construction spend considerable time making sure everything is in A-1 Condition.

Many experiments are performed in the Industrial Electronics Shop to help the boys learn things correctly.

GRAPHIC TRADES

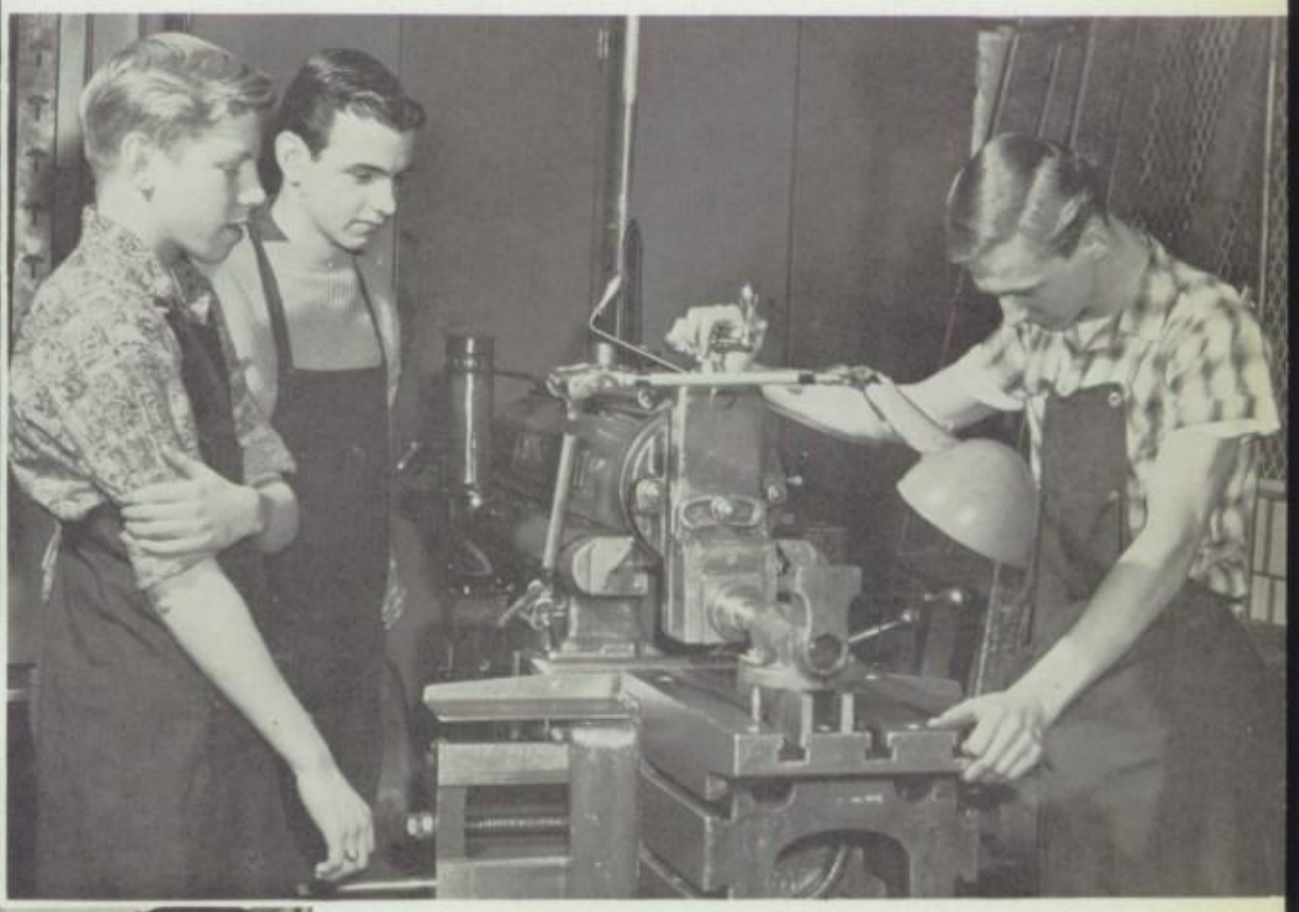
Mr. Spring keeps close supervision on the work of his Commercial Art boys.

Bruce Rowe and Jim Krempa demonstrate how they use the Offset machine in the Print Shop.

The boys in Office Practice are kept busy most of the day typing for Mr. Hunt.

These Mechanical Drafters learn their trade by doing practical assignments.

To get a job done fast in the Welding Shop everyone pitches in.



This senior demonstrates the correct way to operate a lathe in Machine Shop.

For a job to be done right in Sheet Metal you need a lot of cooperation.

FOODS

Serving and preparing food are a few of the things taught to the students in the Foods Classes.

DISTRIBUTIVE EDUCATION

The students in Distributive Education are always busy learning newer and better ways to display things in windows.

PHYSICS

Internal combustion engine is examined by analyzer during a Physics class.

HYGIENE

Miss Campen, school nurse, explains the functions of the body to inquisitive seniors.

The purpose of the Student Council is to coordinate school activities and to govern the student body. Basically, the Council is a service organization, sells Mac-Men decals and sweatshirts, sponsors the Homecoming Festivities and Dance, and also aids the faculty and student body.

The Council's committees assist in working on Safety Week, the All-Sports Banquet, Sock Hops, and Locker Clean-up. The Student Council members also do Area Student Council work, such as the Teens-against-Polio and Easter Lily Drives.

HI-CRIER

The 1962-63 Hi-Crier, as always, tried to serve the constructive interests of the entire school—the students, teachers, and administration. News, opinions, and features provided the students with interesting and helpful reading material.

Mitchell Ulrich, architectural drafting junior, headed a large and competent staff. He was assisted by associate editor Dan Schiffers.

Printing shop juniors and seniors under the supervision of Mr. Malcolm Goodrich printed the Hi-Crier.

The entire staff is grateful to the Hi-Crier adviser, Mrs. V. Goja-Wiczynski, who guided the production of the Hi-Crier.

These Juniors, left to right, Dave Evans, Pete Adamson, Greg Janatowski, and Brad Kroma, help print the Hi-Crier.

A Christmas Musical assembly, under the direction of Mr. Simpson.

MERI-MAC CARNIVAL ASSEMBLY

These happy students proudly display the prizes they won.

These two Whitney girls add to the fun at the carnival assembly.

The Macomber Meri-Mac Carnival is a student activity, in which the students of Macomber and Whitney participate. Enjoyment is had by all who attend.

Tom Klockowski was the envy of all Macomber students, as Mr. Bippus hands him the keys to the 1956 Ford.

MERI-MAC CARNIVAL

Mr. Case, in the White Mice booth shows these eager students how the game is played.

During the school year there are many worthwhile projects, but none are as rewarding as the Meri-Mac Carnival. The profits from the carnival are used for school supplies, special shop equipment, and athletic equipment.

The crowded gym shows the students of Macomber and Whitney enjoying the annual carnival.

Fun, laughter, and more fun contributed to the good times had by all at the carnival.

SUPERINTENDENT OF SCHOOLS

MR. PHILO C. DUNSMORE

TO MACOMBER VOCATIONAL
HIGH SCHOOL:

I extend my congratulations to the Macomber Class of 1963. You are graduating into a world that is full of technical complexity. Every newspaper, every magazine stresses the need for young men with technical training. Whether you go into the practice of your area of preparation or wisely extend and deepen your knowledge in some college or university, you never will regret the effort which you have put forth to prepare yourselves for effective service in the community of which you are a part. I commend you for having completed your high school program and wish for you the wisdom needed to chart a course which will lead you to success beyond the high school.

Philo C. Dunsmore
Superintendent of Schools

BOARD OF EDUCATION

L. to R.: J. Arch Anderson, Mrs. Carol A. Pietrykowski, President, Dr. Morton Goldberg, Dr. Frank A. Brown (Deceased), Vice-President, Mr. David R. Rittenhouse.

MR. ALVIN C. BIPPUS

Principal

TO THE CLASS OF 1963

Although your main preoccupation during the last four years has been to obtain the necessary skill and understanding to be a successful worker in the vocation of your choice, many of you have been active in some of the extracurricular organizations which are a part of high school life. Many of you have been leaders in class groups, club work, athletics, music, and service organizations. Those of you who have taken part in these activities have had richer experiences in high school.

May I commend to all of you that as you take your place in the adult world you use your talents to be active in a variety of civic affairs in addition to your regular job. Surely your life will be enriched and your community will benefit.

Alvin C. Bippus
